

Year 1 Homework

Reading

We expect each child to read every day to help build their fluency, confidence and enjoyment of reading. Please date and initial when you have listened to your child read.

We will change books on a Friday so please only send book bags in on this day.

Spelling

On the website are the spellings for the following half term. All spellings are taught formally in class each week then tested on Friday.

Please practise the spellings each week. More guidance is available on our Homework page.

Mental Maths

We expect each child to spend an average of 10 minutes a day on Numbots, Hit the Button or WRM one minute maths to help build their fluency and confidence.

The average is also combined with time in school.

Maths Questions

Each half term maths homework will be posted onto Dojo. There will be a new topic each week and this will be tested on the Friday.

Handwriting

Please use our subscription to Letter Join to help your child with their letter formation. We will let you know the letters for the week on your child's spelling sheet. **Letter Join**

Powerful Knowledge

Just a Minute

We will be challenging children to speak about a subject we are studying for one minute without deviation repetition or hesitation. A guide for your child's subject can be found on the website.

Hinterland

2 Hinterland documents will be posted on Dojo per half term and the Year Group page to give children appropriate articles and videos to help deepened their learning.

Thank you for your continued support
