Computing Expectations

Computing Lessons
Recap previous learning with a short quiz or 2Do quiz activity if available.
Touch typing as a lesson starter
Children should save their work in the correct area.
Any physical work to be stored and kept in designated folder
Lesson activities to be set as a 2Do, when on Purple Mash
Do not use TTRS/Numbots as an extension

Display/Purplemash-2Displayboard
Use to show work completed – coding/spreadsheets/online safety.
Use to show some learning that children need revision on
