

## Chess Kid Agreement

Chess Kid is a website for members of chess club to continue their chess education. It is also an opportunity to be part of a thriving, positive community for chess outside of school.

Children have the option to make limited contact with their opponents using stock phrases and emojis.

Children, who use their accounts are trusted do so sensibly and in a way that does not upset other users. There is a message system between the children and their chess tutor (Mr. Smallridge). This should not be used and no messages will be acknowledged.

Following our E-Safety rules, if there are any issues or messages them make you feel uncomfortable, then you should tell an adult in your house immediately and Mr. Smallridge in school.

Nothing should be bought from Chess Kid unless your relevant adult has given permission.

All activity can be checked by Mr. Smallridge so if there are any issues, please get in touch.

If any children do not use their account following the agreed rules then they will have their account suspended for 2 weeks. If it happens again the account will be suspended for an indefinite time.

Everyone should enjoy their Chess Kid accounts and improve their play even more.
