Pupil Premium Funding – Breakfast Club

Dear Parents/Carers,

We are delighted to inform you that your child has been offered a free place at our Breakfast Club for this academic year (from 13.11.23) due to their eligibility for Pupil Premium funding. We believe that this opportunity will greatly benefit your child's overall well-being and academic success.

Breakfast Club operates from 7:30 am to 8:30 am in our School Hall. Our primary focus is to provide students with a wholesome and nutritious breakfast, thus giving them the best possible start to the day. We understand the importance of a nutritious breakfast in enhancing concentration, energy levels and overall academic performance.

In addition to the provision of a healthy breakfast, our club offers a wide range of engaging activities. These include games, crafts, and sports, which not only provide an enjoyable start to the day but also encourage social interaction amongst peers. Furthermore, we are pleased to inform you that we provide one-to-one reading sessions and homework support during these sessions specifically to our Pupil Premium children. Our aim is to support their learning and help them develop the necessary skills for success.

We strongly recommend that your child takes full advantage of this opportunity by attending Breakfast Club regularly. Consistent attendance will not only ensure they receive a nutritious breakfast but also enable them to benefit from the various activities and educational support on offer.

Please note that this free funding is only available to pupils who are in receipt of Pupil Premium Funding.
